

AgriNext Business Incubators for Rural Excellence

Innovating agriculture. Empowering rural Europe.

These incubators are vibrant hubs connecting students, farmers, educators, and innovators to shape a **climate-smart, circular, and resilient rural future**.

- Foster innovation & lifelong learning
- Support multifunctional farming & entrepreneurship
- Strengthen rural vitality

Join us in growing smarter, greener agriculture across Europe.

AgriNext Incubator Hub:

Learning Lab & Application Centre

Location: Technological University of the Shannon, Thurles Campus, Ireland

Founded: 2021

Contact: sdri@tus.ie | www.tus.ie

The **AgriNext Incubator Hub** supports startups in **multifunctional agriculture** with:

- Co-working spaces (individual + team)
- On-site farm demonstration facilities
- Training & mentoring in farm diversification (e.g. renewables, agritourism)
- Access to funding & expert networks

Who is it for?

Farmers | Students | Rural communities | Advisors | Academia | Social enterprises | Industry partners

Let's regenerate rural areas through innovation in agriculture.
